INSTRUCTIONS

Use this form to file changes to either UCC Filings, Farm Product Central Notice (CNS), or both.

1. If the space provided for any item on this form is inadequate use UCC-5/CNS-5 form as an attachment.
 2. Verify for accuracy and correct spelling.
 3. Be sure this form is properly signed. There are different signature requirements for different filing actions.
 4. Refer to the user's guide for further information. The guide may be purchased from the Secretary of State's office.
-
- A. You may use this form to file in either the UCC Index or CNS Index or both. If neither box is marked the filing will be considered a UCC filing only.
 - B. CUSTOMER BILLING #: Clients may request to be billed for services. Upon approval a customer billing number is provided. This needs to be typed on the form for accurate billing processing. Without a customer number all fees must be paid at the time of filing.
 - C. Check if applicable. Be sure to include your fax number if submitting by fax.
 - D. Check if the debtor is a transmitting utility. See NDCC 41-09-05(1)(N).

 - F. CURRENT DEBTOR NAME: Indicate the first current debtor name if more than one and SSN/TIN. This information serves as an additional reference to the correct original filing being changed.
 - G. REQUESTED CHANGE: Mark one box indicating the action you are requesting affecting the original UCC-1/CNS-1 filing. UCC-3/CNS-3 filings are referred to as associated filings. As such they each have a unique filing number assigned and they are tied to the original filing. Only one box may be marked. If the UCC financing statement and the CNS financing statement were filed together and given one filing number, all amendments, updates, assignments, subordinations, and releases submitted for either of them must affect both of them. A termination of the UCC filing will automatically terminate the CNS filing as well.

If making an assignment be sure to provide the name of the Secured Party who is making the assignment and complete name, address, phone number and SSN/TIN of the assignee. If you are amending names of a debtor, secured party or assignee be sure to provide the original information or as previously amended and the new information. If this is to give notice of a subordination identify subordination agreement by date and its parties. If not all collateral is being subordinated clearly identify collateral affected. An update is one in which the Secured party's name, address, SSN/TIN, or telephone number is being updated and does not require Debtor's signature.
 - I. SIGNATURES: Be sure to have the form properly signed. Amendments require the signature of both the debtor and the secured party. Individuals signing on their own behalf sign on the top line. Type the name of the entity on the top line and individual signing for entity sign the "by" line. The current Debtor and current Secured Party must sign if changes are being made to the Central Notice Filing.

Fees: UCC/CNS-3 \$5.00 Non-Standard Filing \$10.00
